EXPERIENCE

Web Developer Intern

Stirring Minds

📅 June 2023 – July 2023

📍 Delhi, India

- Developed and optimized responsive web applications using HTML, CSS, JavaScript, and React.
- Enhanced page load speed by **50%**, improving overall user engagement by **25%**.
- Led front-end UI/UX improvements, ensuring **seamless navigation** and **intuitive user interactions**.
- Collaborated with backend teams to integrate dynamic APIs for real-time data processing.

PROJECTS

PasteEase - Paste App

- Built a Paste App with React, Vite, **Tailwind CSS**, and **Redux Toolkit** to create, edit, view, copy, and share text snippets.
- Added responsive toast alerts using **React Hot Toast** for clear action feedback.
- Used **React Router DOM** for smooth navigation across app views.

InstaKhabar - Real-Time News Web App

- Developed InstaKhabar using HTML, CSS, and JavaScript, powered by **GNews.io API** for live updates.
- Implemented **lazy loading** and optimized data handling, making the site **50% faster**.
- Deployed on GitHub Pages with a custom domain: **instakhabar.me**.

Razorpay Clone

- Built a **fully responsive** Razorpay website clone using HTML and Tailwind CSS.
- Developed **pixel-perfect UI**, ensuring mobile compatibility and seamless navigation.
- Deployed on **Netlify**.

Love With Plan

- Created a dynamic React app managing tourist destinations using Tailwind CSS.
- Implemented **state management** techniques for smooth user experience.
- Deployed on **Netlify**.

Responsive Landing Page

- Designed and developed a **highly responsive landing page** using HTML, CSS, and JavaScript.
- Ensured **cross-browser compatibility** and **mobile-first** design.
- Hosted on **Netlify**.

ACHIEVEMENTS

- **Smart Attendance System** – Presented a paper at National Conference TMTMEI-2022, IIMT College.
- **Hacktoberfest 2021** – Merged 10+ pull requests; enhanced open-source contributions by 20%.
- **Hacktoberfest 2022** – Resolved beginner-friendly bugs in public GitHub repositories.

CERTIFICATIONS

GitHub Foundations

Bootcamp on Front-End Web Development using JavaScript and React.js. (DevTown)

SKILLS
